April

2024

Hooray for spring! We will celebrate the warmer weather with a month of family fun time.

There will be many outdoor activities planned. Class trips have been planned among other fun events for our Children's House and Elementary classes.

All of our classes will participate in activities that help us learn about and enjoy the upcoming school-wide celebration of Earth Day.

Please refer to this newsletter for all of the details and special information. Don't miss out on the fun! If you have any further questions, please contact Mrs. Ehlers in the school office.

I Heart the Earth Family Project

At the end of the newsletter there is a wonderful family project you can do and share with our school friends.

1. Color the Heart Earth
2. Fill out the bottom
3. Return your project by April 8th to the school office for display.

Thanks For Sharing!!!

Earth Day Celebration
Monday, April 22nd

All of the students will enjoy a fun day of celebrating the earth! Each class will explore different earth related activities and games.

Topics will include: art projects, recycling, cycles of the earth, a special snack, and much, much more! Families are also encouraged to participate by thinking of ways to help the earth at home.

Some suggestions would be through recycling, planting trees and flowers, composting, etc... We will be excited to hear what your family comes up with!

Don't Forget!

It is not too late to e-mail or drop off your child's scrapbook pictures with Mrs. Ehlers.

You will be receiving your child's scrapbook pages in their Memory Book for the end of the term.

If you have questions about this project, please ask at the school office.

Thanks!

School Newsletters and Class Calendars

∴ We like to remind our families that the school newsletters and class calendars for each month are available on the school website.

Please see the "Parent Information" tab and then scroll down to the "Calendars and Newsletters" tab.

Please keep in mind that event dates and times may change for a variety of reasons.

We recommend speaking with the school office if you are planning to arrive or pick up after 9 am or before 3 pm just to be safe.

A Special Thanks!

...to everyone who brought Zany Zoo animals to share. They were awesome!

...to all of the families for the wonderful donations of books!

...to all of the families for the great care activities they donated!

...to all of our parents for their ongoing support, help with our parent projects, involvement and care.

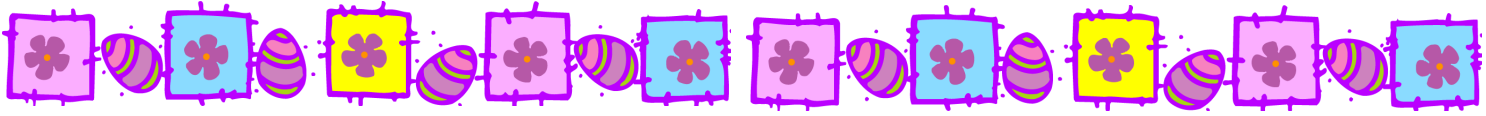

... to those who work so very hard behind the scenes each day making our hopes and dreams come true...

Our Need for Seeds

Dear CMS Parents and Families,

We are exploring the magical world of seeds. As part of our ongoing studies, we will be taking a closer look at seeds to find their parts. We will be getting down and dirty to find out how to plant a seed as well as going on a seed safari to see how seeds travel. We will learn the song "Traveling Seed Song" to assist us with our overall understanding of the wonderful world of seeds.

We need your assistance. Would you please help your student fill an empty egg carton with 12 different types of seeds? (Dried beans and nuts are seeds too!)

Please label each seed cup with the seed name.

Remind your student to carry their seed collection to school on Monday, April 29, 2024

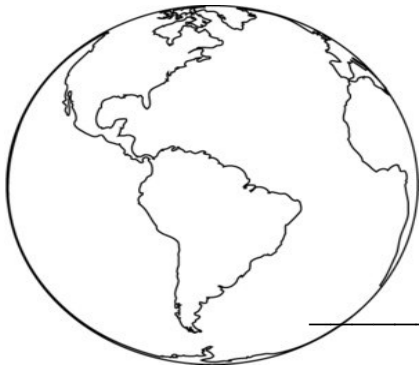

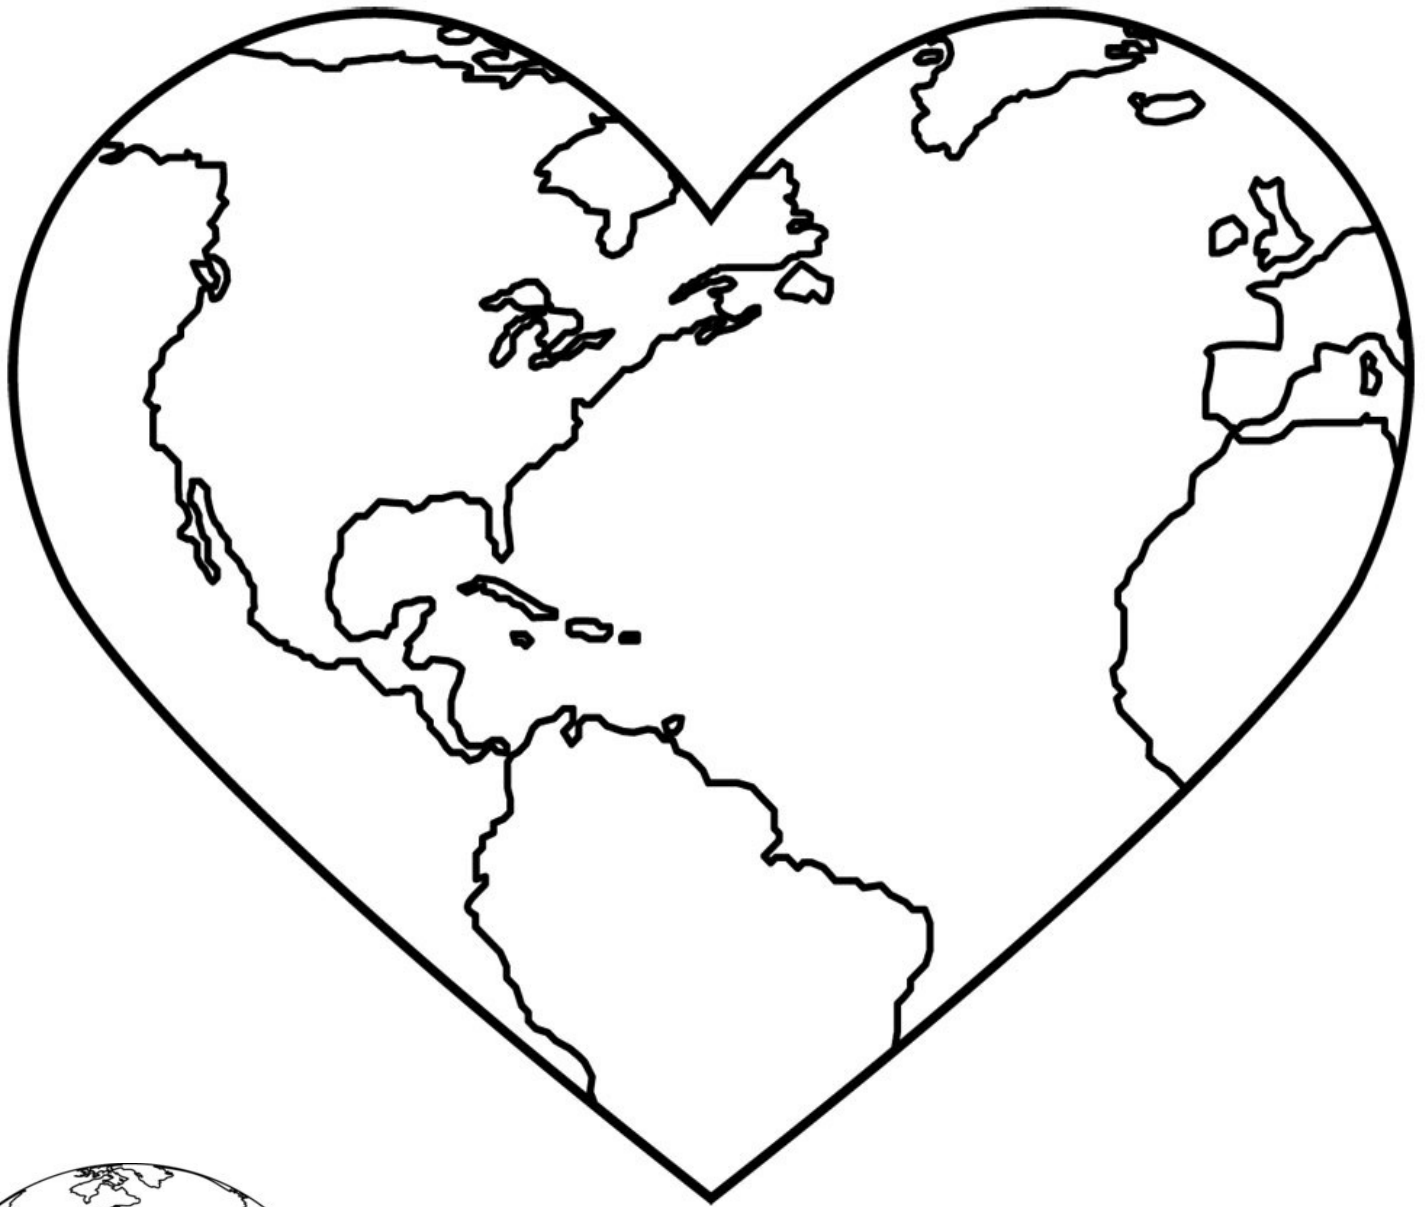

Your student will be sharing their collection with their class throughout the rest of the week.

Thanks for your excitement over seeds!!!

It will be great fun to show our seed containers to our friends!
