Earth Day Celebration

Wednesday, April 22nd

All of the students will enjoy a fun day of celebrating the earth! Each class will explore different earth related activities and games.

Topics will include: art projects, recycling, cycles of the earth, a special snack, and much, much more! Families are also encouraged to participate by thinking of ways to help the earth at home.

Some suggestions would be through recycling, planting trees and flowers, composting, etc... We will be excited to hear what your family comes up with!

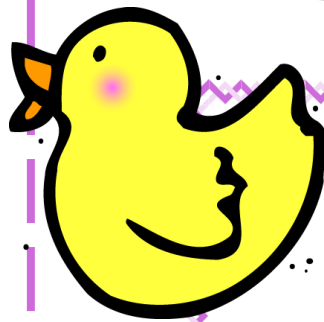

Don't Forget!

It is not too late to e-mail or drop off your child's scrapbook pictures with Mrs. Ehlers.

You will be receiving your child's scrapbook pages in their Memory Book for the end of the term.

If you have questions about this project, please ask at the school office.

Thanks!
