# December 2023

December is here again! It seems like a short month due to the vacation days, but it is certainly full of fun!

We will be having our traditional Pajama and Game Day on the last day of school before break.

There will also be a "Sweatshirt Day" to show off our favorite winter attire and much more.

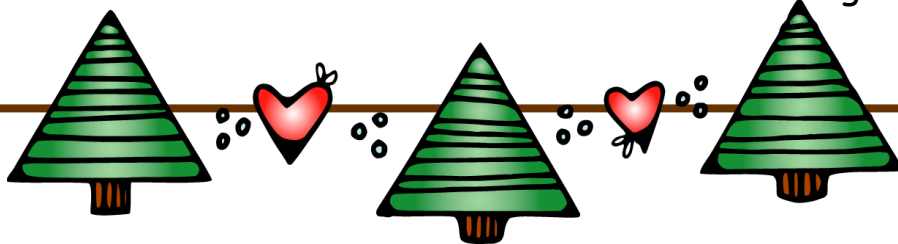

Be sure to read through the informational sections of the newsletter and as always, post your calendars someplace handy.

Please ask at the office if you have any questions.

*Happy December!*

## Pajama and Game Day

Friday, December 15, 2023

All classes will be having a Pajama and Game Day on the last day before Winter Break. As we approach the holidays, the energy and excitement will grow. Spending the last day in low key activities and playing with friends is a great way to start the Winter Break.

### Items To Wear/Bring

1. Pajamas
2. A Game to share

## Chap Stick

The Department of Children, Youth and Family Services views chap stick as a medication. We are only allowed to apply medications with proper documentation through the school office. Please keep chap stick at home and not in pockets or lunch boxes. Thank You!

from our home to yours  
with Love.....

Don't forget that our food drive continues this month. Our heartfelt thanks to the families who have already given to those in need this holiday season.

Blessings to you all!

If your student gets a seasonal flu or any other vaccination, please let the office know so that your child's immunization form can be updated. Thanks!

# SPECIAL INFORMATION

Please check with the office and confirm your contact phone numbers. With the weather being unpredictable, it is important that we can reach you in case of an emergency. Remember that if your office, home, or cell phone number has changed, you need to let the office know as soon as possible. If you aren't sure what numbers we have, please ask!

Don't forget to clock your student in and out each day on the school computer! Remember that you must tap the button with your student's name before hitting "Finish" for a time to be logged. At the end of each day, a staff member must manually put in times for anyone who has not successfully logged their student in or out. We do our best to remember your arrival and/or departure times. The only way to guarantee that you will not be overcharged for your actual attendance is to clock in and out each day.

Also, the Department of Children, Youth and Family Services requires that an authorized

person must physically sign a student in and out each day using a full signature. Please remember to do this when picking up and/or dropping off. This is in addition to using the computer.

Thank You!  
The CMS Staff

'Tis the season to get wet and dirty! As you know, most children love to roll around in the leaves outside, even after we strongly encourage them not to! Please keep a couple of changes of clothing at school for your student, especially pants and underwear, during these next wet months.

~Thanks~

## CMS Sick Policy Reminder

We know this time of year can be frustrating, but please remember the following information to help all of our students and staff stay healthy.

1. Students who are unable to participate in all regular school activities should stay home.
2. Students must be "fever free" for 24 hours before returning to school.
3. Students showing 2 or more symptoms of illness should stay home.
4. All students must wash their hands upon arriving at school.

### A Special Thanks!

... to everyone who participated in our "Books Go Everywhere" reading challenge.  
Awesome Job!!!

... to all who brought books in for our Book Sharing Day.

... to all who participated in our Family Projects.

...to everyone who has made a special effort to keep themselves and all those around them safe and healthy.

...to everyone for their support!!!

Thank you!

# Disguise The Gingerbread Project

Dear CMS Families,

We will be reading the story of “The Gingerbread Man” in class this month. Your job is to DISGUISE your gingerbread shape as an animal, a storybook character, or many other creative possibilities in hopes of being saved from the fox!

You may use any items that you find around your house to create your gingerbread person’s disguise. Let your child be creative!

You can request additional gingerbread people from Mrs. Ehlers if you would like one for each family member to disguise.

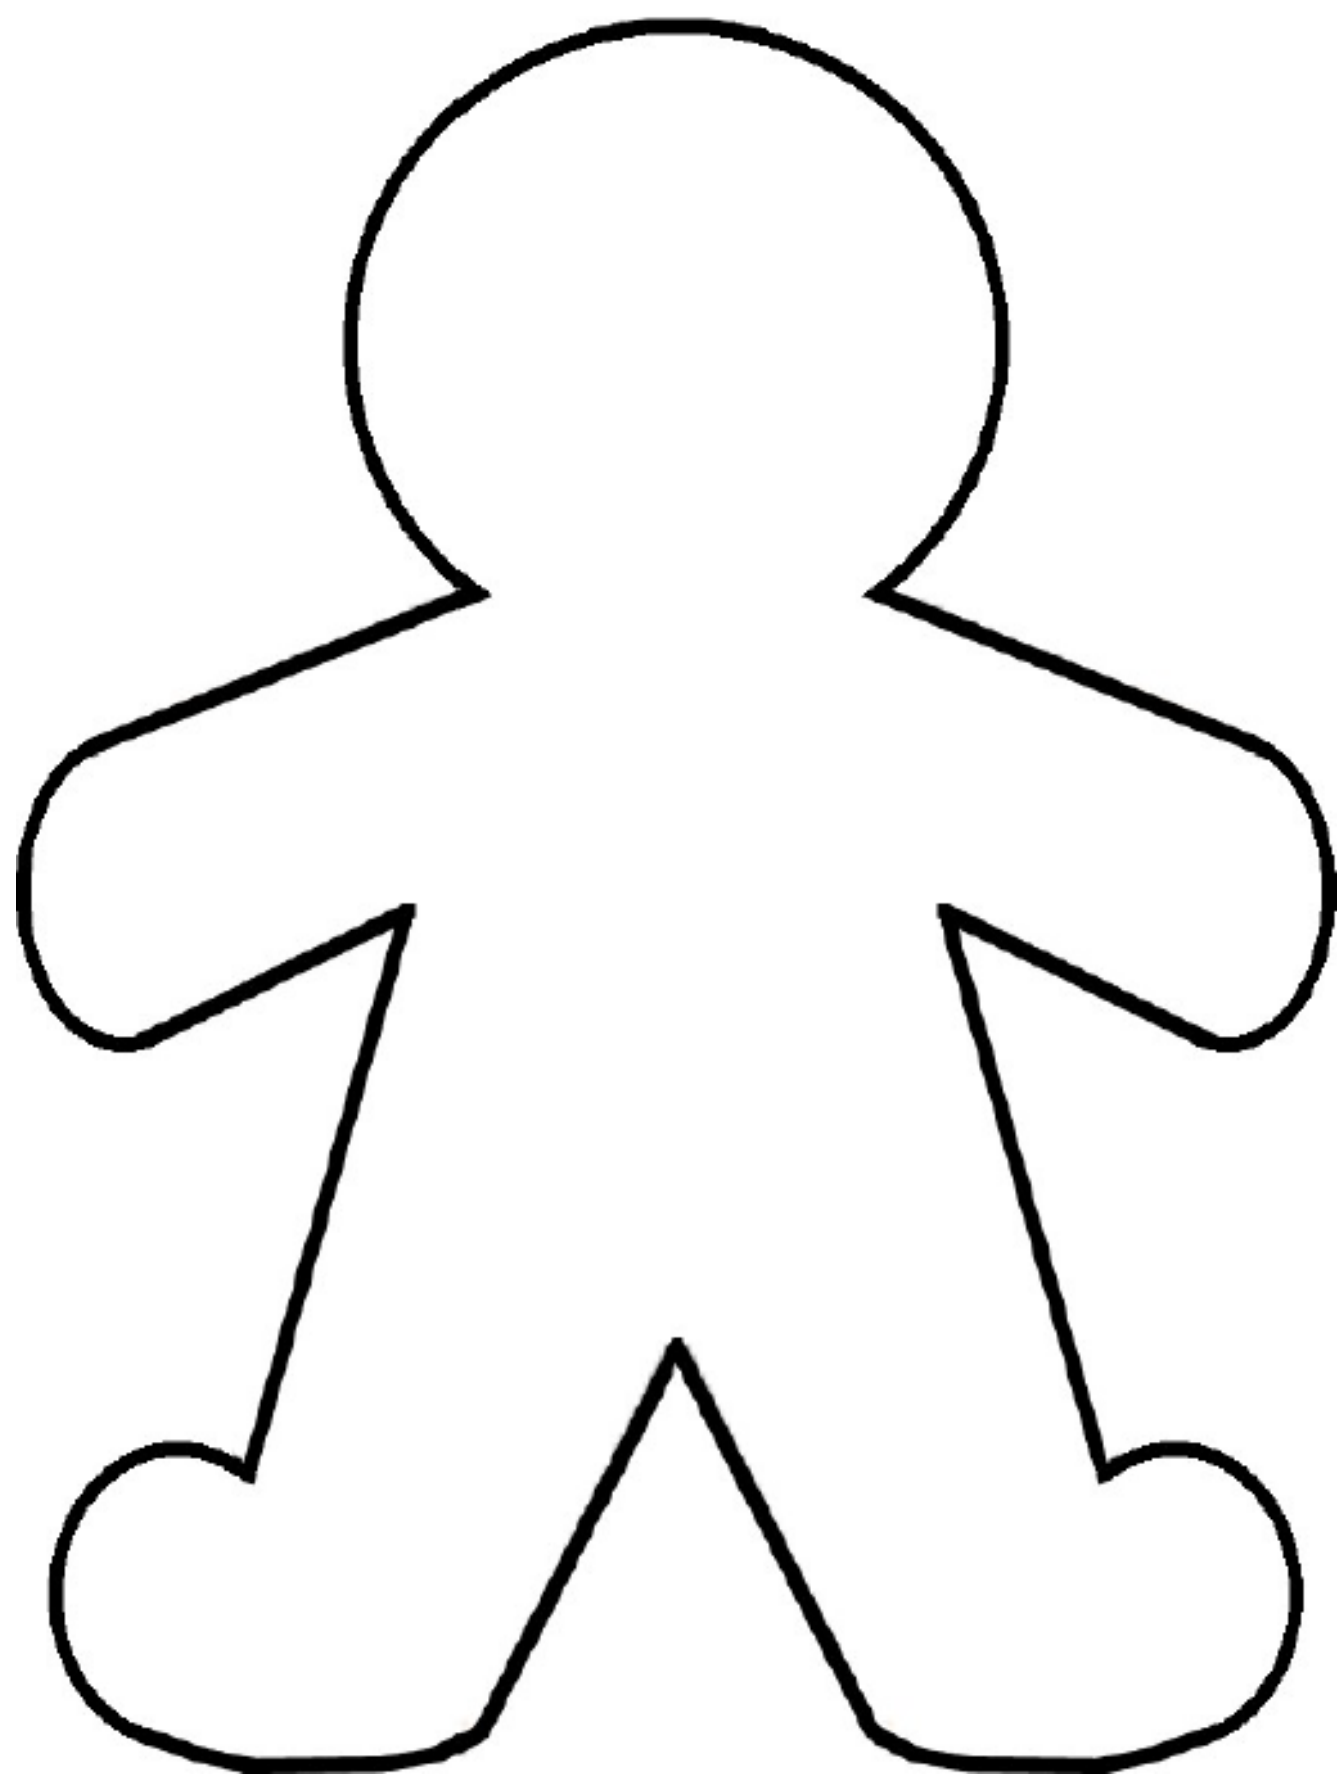

Complete your gingerbread person (people) and bring them to school for display in the school entry during the weeks of December 4th – 15th. All of the Gingerbread People around the world thank you for your help!

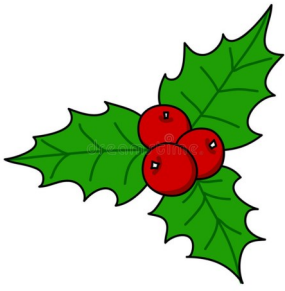

Work as a family on this project with your child.  
Most of all, enjoy and have fun!!!

**Please turn in your project on:**

# 2023 Gingerbread Exchange

**We are excited to be having  
a family Gingerbread Exchange!**

**In a nutshell, each family who wishes to participate will make a gingerbread person and write letters or stories about it. They will then be turned in to the school office. Once all are collected, your family will receive a gingerbread person from another family to read about and enjoy.**

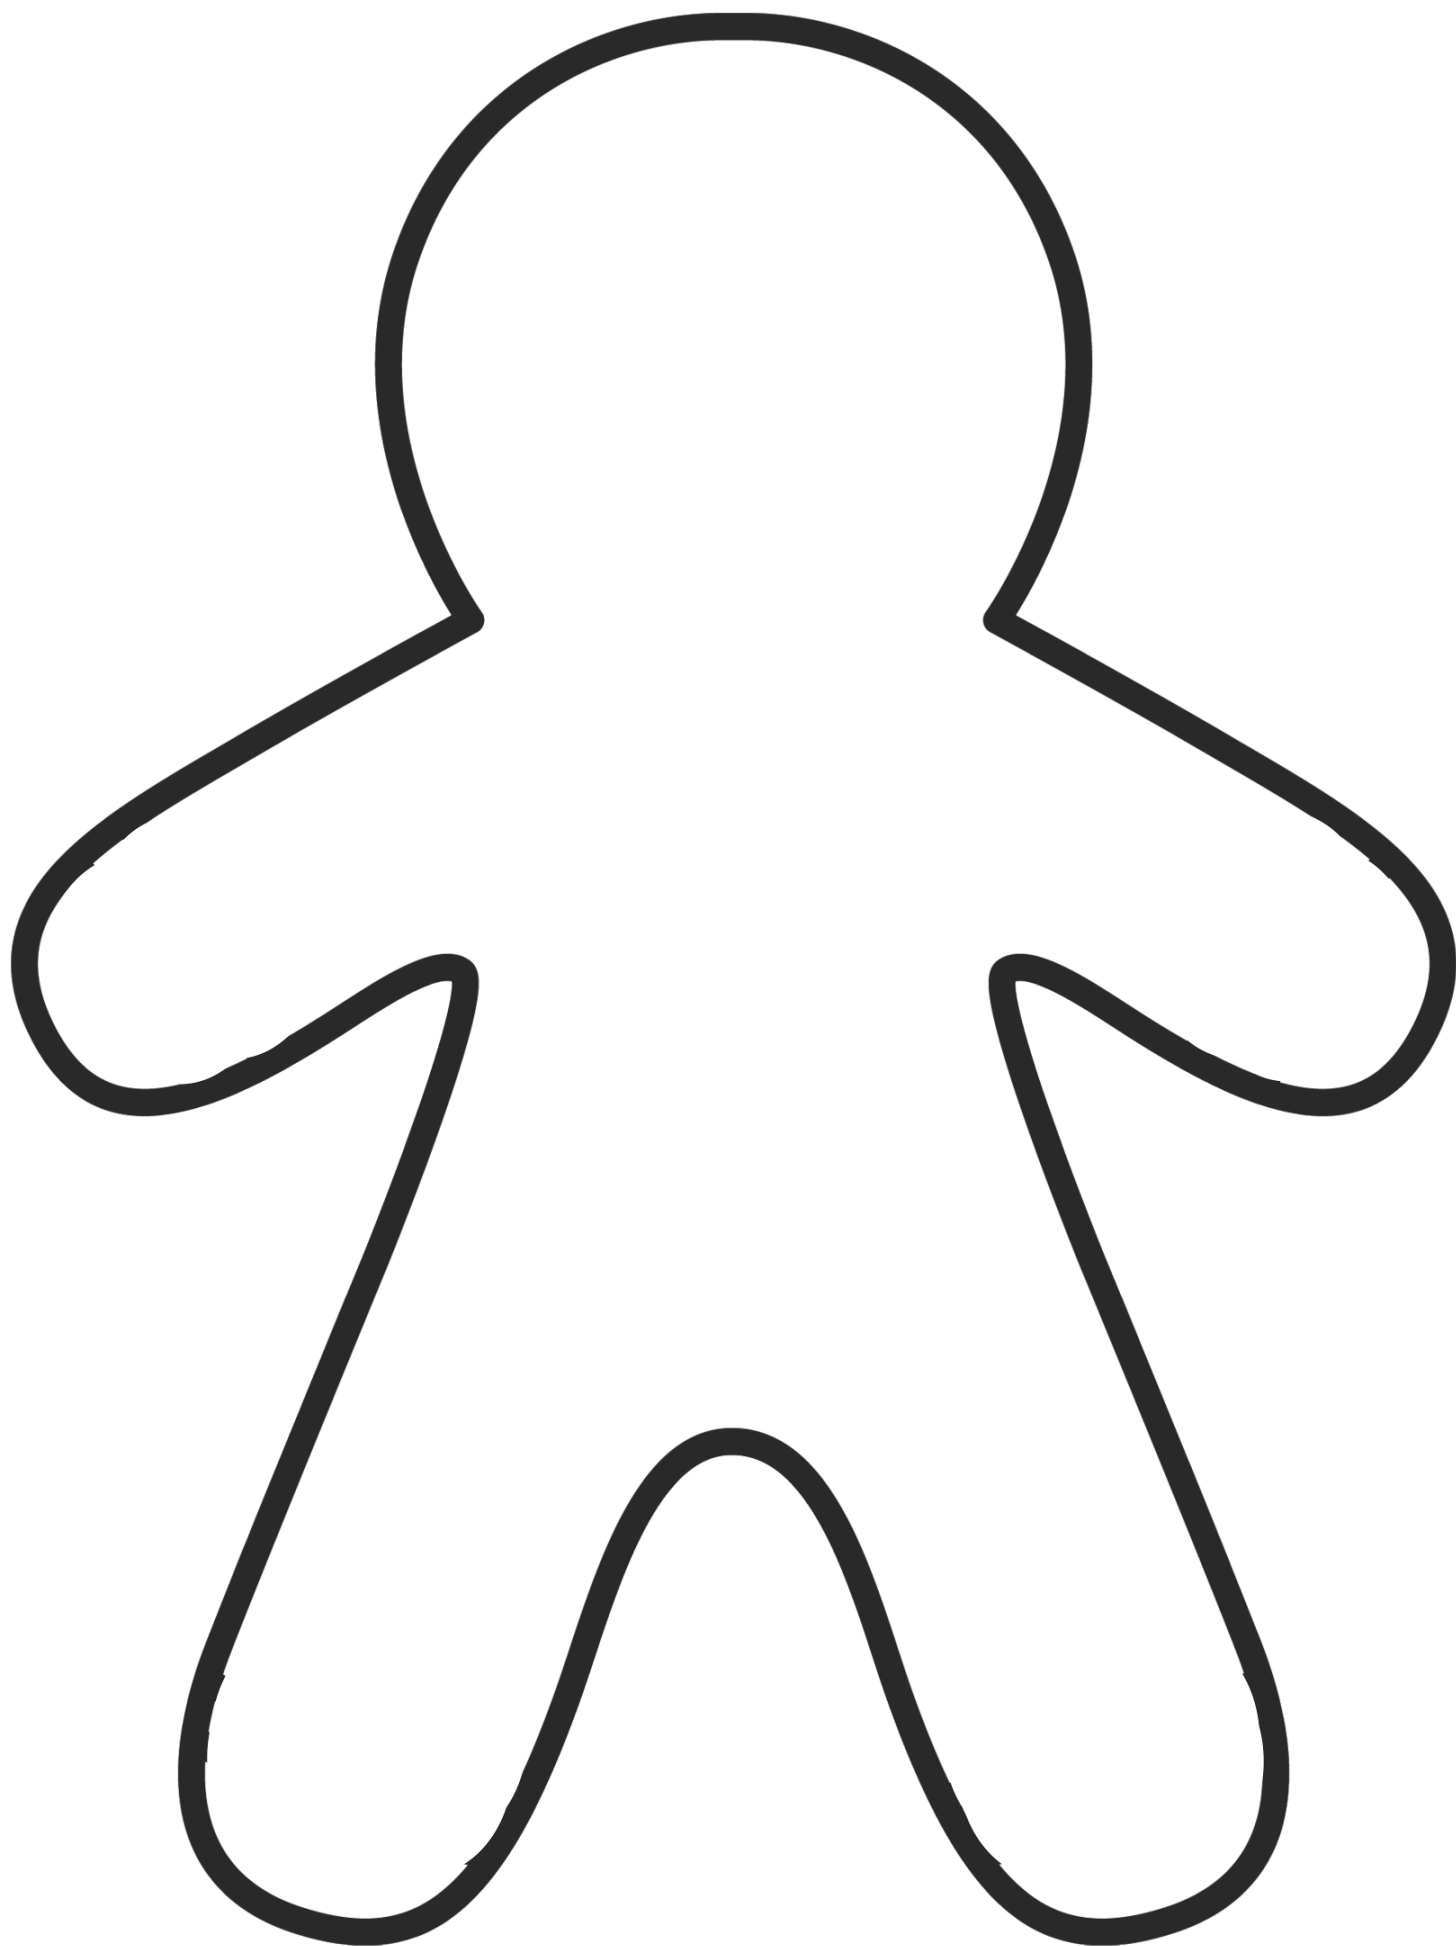

## **Here's how it will work:**

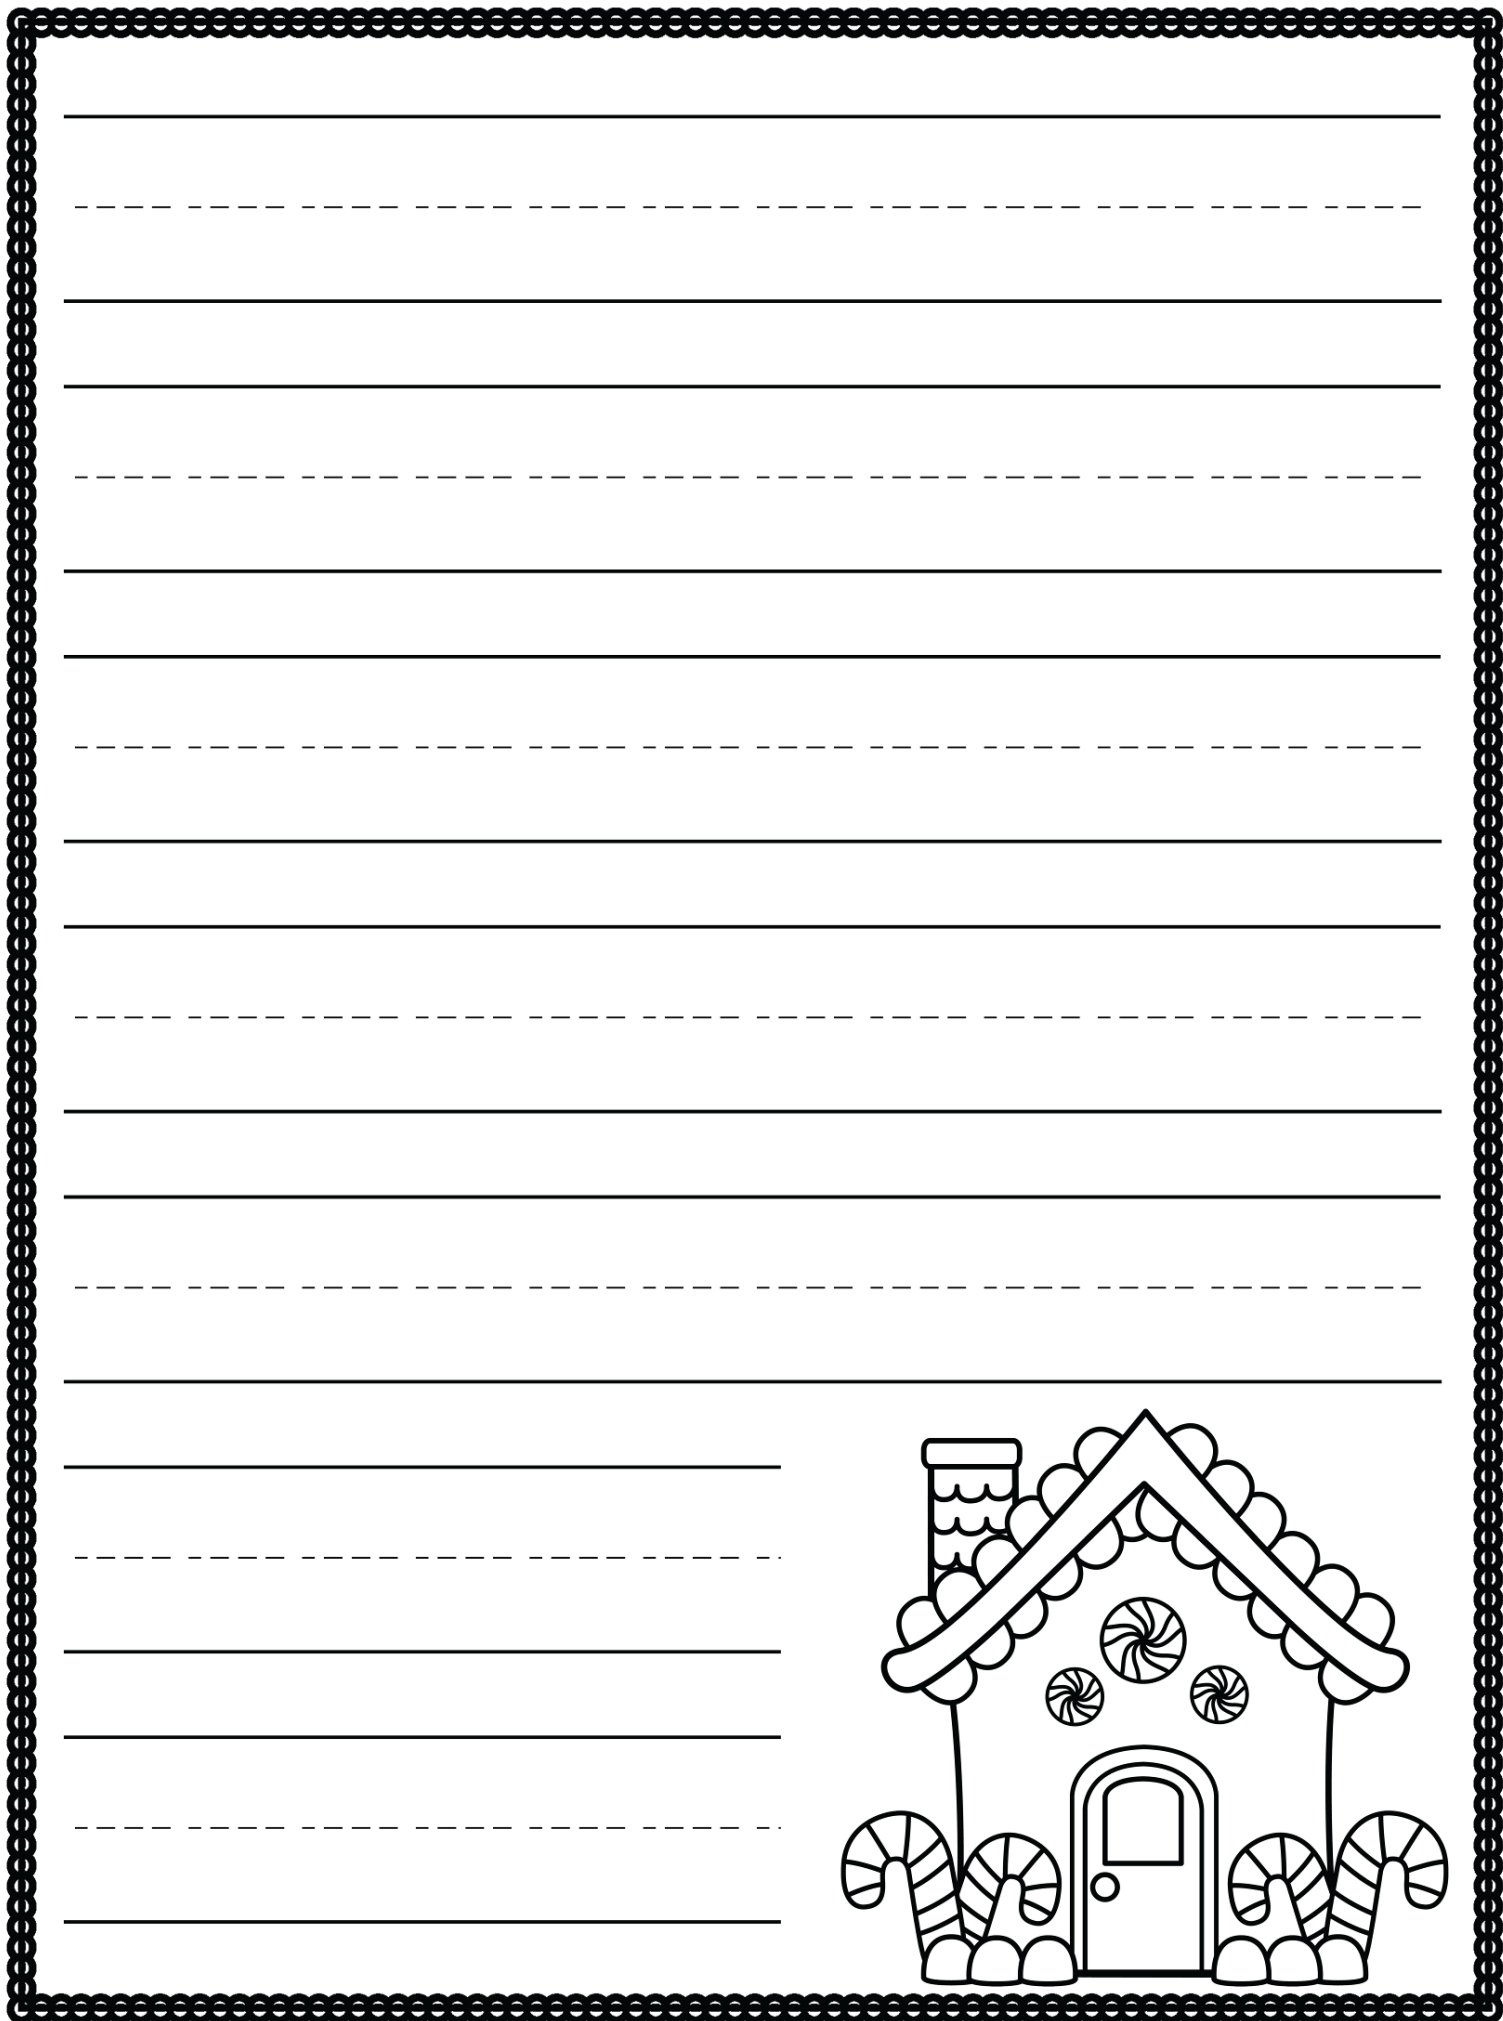

---

- 1. Using the gingerbread person at the end of this newsletter, make your gingerbread person. Get creative and make it amazing! Glitter, spices, and bows - the possibilities are endless!**
  - 2. Using the story page at the end of this newsletter, work together to write a letter or story to match the gingerbread person.**
  - 3. Return your completed project to the school office no later than Monday, December 11th.**
  - 4. Receive your exchanged gingerbread person in your parent information folder by Wednesday, December 13th.**
- 

**Don't forget to have fun! This is a great way to show creativity and work together as a family. It is also a great way to get to know another family in our school!**

We will put them to good use...  
The children are already using them!!!

## Character Building Classes

Character Traits are qualities or characteristics of a person or character. Character traits describe what a person is like on the inside. We can determine a person's character traits by their actions, thoughts, and words.

Our Character Building Classes this month will include the topic of Grateful.

People who are grateful truly appreciate and are thankful for things and people in their lives. Sometimes grateful people are even thankful for the challenges and difficulties they face because of the lessons they might learn in those hard situations.

The following are some questions your student will ask him/herself while at school during the month of December: \*Do you exhibit this character trait regularly in your own life? \*Would you like to exhibit this character trait more or less? \*Do you think gratitude is a desirable character trait? \*How does being grateful impact a person's own life?

### Interesting Fact:

Research indicates that expressing gratitude has a positive impact on children and adults. Showing gratitude has been shown to increase optimism and positive emotions, as well as making people feel more connected and satisfied with school.

Please encourage your student  
to start a gratitude journal.

Thanks so much for your support and  
assistance in this exciting learning opportunity.

preparing not just for school, but for life".*
