A Note from Mrs. White...

Hello Families!

What an amazing spring season we have had! Between Bike Day and trips to the Tolmie, we have kept busy and have enjoyed all that nature has to offer. The students have grown so much and it has been a fun journey to watch.

Although the weather is gradually improving, please remember to keep light jackets (especially something with a hood) at school each day. In Washington we never know when we will need it!

As the year draws to a close, be aware that change affects everyone differently. Some children take it in stride and don't seem overly bothered. But remember that others may need extra TLC as they process changes happening in their life. Thank you for sharing your children with us this year!

Blessings to you all!
