All parents of new students are asked to participate in this parent/teacher conference opportunity.

STUDENTS ARE NOT TO ATTEND

Sign-ups will be available on-line starting Monday, September 16th. These 20 minute conferences will be located in the classrooms with your student's head teacher.

This is a time designed to share student progress, set goals for the term, and allow for questions and answers.

An informational e-mail providing sign-up details will be coming soon.

Thanks so Much!!!

All School Pictures

Tuesday, September 24th (CH/Green)
Wednesday, September 25th (CH/Blue)
Tuesday, September 24th (Elementary)

All students will be participating in their class and individual photo session for the year. No student is required to purchase pictures. All pictures will be taken by "Studio K" here at school.

Please dress your student in their "picture" clothes when they come to school. (Hint: White clothes make you look washed out!) Parents are encouraged to send a change of clothes for after the pictures are taken. Order forms for pictures will be sent home over the next few weeks.

**Order Forms Due:
Friday, October 4th**

Student Personal Items

Please help the teachers and staff by keeping your student's personal items you send to school to a minimum. Storage is limited and a special request for additional items will be sent home if something comes up. Thanks so much for your assistance and please ask if you have any questions.

School Drop-Off and Pick Up Procedure

The beginning and end of the day can be a little chaotic and confusing for some, so we like to keep things as consistent as possible. We appreciate your patience.

At drop-off, please enter the school and sign your student in. Clock your student in on the computer provided in the entryway. A personal code will be issued to those on your pick-up list. Please make goodbye's brief and in the entryway. Students should go to their classrooms independently.

At pick-up, please enter the school and clock your student out on the computer provided. Students will be called and meet you in the entry to go home.

State regulations require a signature of the person dropping off and picking up as well.

A staff member will be available at the school office to assist both at drop-off and pick-up. If you have a need to go beyond the entryway, please wait for a staff member to assist you.

Please contact Mrs. Ehlers if you have any questions.

Automatic Monthly Billing

The school offers automatic monthly billing for tuition and/or care charges to be automatically deducted from the bank account of your choice. Many of our families already enjoy this convenient service. If you have not yet taken advantage of Automatic Billing and would like to, please ask at the office for paperwork. If you have any further questions, please check with Mrs. White.

This service is optional and those signing up in September will begin auto drafts in October!

Let's Go Paperless!

This year our families have two ways to cut down on the clutter entering their homes! This newsletter is available electronically through the CMS website and families may elect to receive an email notification when the newsletter becomes available. Also families have the option to receive e-statements instead of paper ones. Watch for a survey form to be sent home and sign up for these great services.

Sunscreen Regulations

Because of the Department of Children, Youth and Family Services regulations, we are required to have paperwork and documentation of sunscreen and its application the same as for any medication.

If you want your child to have sunscreen applied at school, you will need to bring in the sunscreen and a signed medication release form to the school office.

Please note that sunscreen will only be applied after 11 am and in the afternoons, so you will need to sunscreen your child before they arrive at school in the morning. Thanks for your help and support.

MY ALL ABOUT ME BANNER PROJECT

Dear CMS Parents and Families,

Throughout the month of September there will be many special opportunities at Capital Montessori for everyone to get to know each other.

This “All About Me Banner” project is one of the great ways our families help us get to know their student.

Each banner turned in to the school office will be mounted, displayed in the school entry, and saved for your child’s end-of-the-year Portfolio.

Please use the banner page at the end of this newsletter to complete your student’s special project. If you receive an electronic newsletter, this page will be in your Parent Information Folder.

We ask that all banners be completed and turned in to the office no later than:

Thank You For Helping With This Fun Project!

My Personal Timeline Project

Dear CMS Parents and Families,

- At the Capital Montessori school we include history and the concept of time as a part of our curriculum. As a way to introduce these concepts in a meaningful and personal way, we have the children create a personal timeline. But we need your help! Please send in a picture of your student for each year of their life. The pictures need to be approximately 3” x 3” and should be of the student only. No siblings or family members in the pictures please! Because the pictures will be trimmed and glued to the timeline, we recommend that you not send original pictures. The timelines will be given to your student in their end-of-the-year packets in June.
- You have the option of dropping off your pictures at school or e-mailing them to Mrs. Ehlers’ e-mail address: christina@capitalmontessorischool.com
- Students who have participated in the project in the past have the option to send in last year’s timeline and just include this year’s picture.
- We ask that all pictures/timelines be turned in to the office in the attached sack no later than:
