Sunscreen Regulations

Because of Department of Children, Youth and Families regulations, we are required to have paperwork and documentation of sunscreen and its application the same as for any medication.

If you want your child to have sunscreen applied at school, you will need to get a medication release form from the school office. Please note that sunscreen will only be applied after 11:00 am and in the afternoons, so you will need to sunscreen your child before they arrive at school in the morning.

Thanks for your help and support.

A Note from Mrs. White...

Hello Families!

Summer has arrived! Welcome to the new families joining us and welcome back to others! We are so excited for a fun summer of Olympic Games. Mrs. Johnson will begin transitioning into her role this summer as the lead teacher of our class. Ms. Daniel and I will work alongside her and we will still see Mr. Reed who will be moving over to Children's House Blue.

I realize how quickly the weeks of summer fly by. Moving forward, don't hesitate to ask if you have any questions. We want our students and families to enjoy this special time of year to its fullest!

In all the business of life, don't forget to take time to slow down and enjoy special moments with your families. Blessings to you all and happy summer!
